

WORLD'S LARGEST AIRPORT ADVERTISING AT DUBAI INTERNATIONAL AIRPORT

Gulbahar Tobacco International has tied up with JC Decaux in launching world's largest advertising campaign inside Dubai airport. The campaign features our most prominent brand **MILANO** Fan pack. Moreover GTI has also taken the entire Boutique digital network with our 300 Digital screens covering all the airport. If you are travelling through any of the DXB terminals you won't miss us.

Combating COVID-19

Since COVID-19 has crippled the world economy and it has hit the human hygiene system in the worst possible way. We at Gulbahar Group have taken great precautionary measures and utilized our resources to fight this deadly virus. Our offices were equipped with all the medical/health related equipment's to fight this scare and we abided by the health regulatory policies to keep our offices COVID-19 free.

ANNOUNCEMENT FROM BOARD OF DIRECTORS

Gulbahar Group is pleased to announce that Board of Directors has decided to appoint **Mr. Hewad Habibi** as **Chief Operating Officer at Gulbahar Industries Limited, Pakistan**. Mr. Hewad will be taking over the charge as the project Officer and will be responsible for the project management and development independently. He will be reporting and under the supervision of the GTI Head Office.

WEBSITE LAUNCH OF GULBAHAR RUS

Gulbahar Group is taking great initiatives in governing its various subsidiaries to follow proper strategic guidelines. After noticing a great demand and feedback of our brands in Russian market **Gulbahar RUS** has decided to officially launch its corporate website in the CIS region. This move is to cater the CIS market and increase our brand awareness through providing proper information on the website so that all the official communication and various marketing strategies and initiatives, product launches, events and exhibitions are channelled through our official website: www.gulbahar.ru

EMPLOYEE FAREWELL

GTI family bid adieu to one of its employees in September 2020 namely Mr. Renish who was known for his exemplary work of 13 years. The atmosphere was quite nostalgic and all the employees of GTI wished him the very best for his future which reflects on the values and ethos that GTI instils in its employees. The sheer commitment and perseverance of employees with the company reflects the association and true essence of the company which management reiterated.
